SKILLS LIST

- **Technical Skills:** Solid CS academic foundation & years of deep expertise; seasoned in ByteDance cloud computing technical support with full-suite cloud product knowledge and strong troubleshooting capabilities.
- **Soft Skills:** Excellent interpersonal communication & cross-scenario collaboration skills; adept at navigating complex challenges and driving efficient teamwork.
- **Project Management:** PMP & Medium-level Software Professional certified; specialized in full-cycle refined key project management, ensuring high-standard, high-efficiency delivery.
- **Cross-Industry Experience:** Extensive practice across internet, gaming, oil & gas, finance, cloud computing, manufacturing, smart hardware & advertising; strong adaptability with a focus on cloud & software sectors.
- **Overseas Exposure:** 3-year all-English work tenure in international projects; leveraged technical expertise & bilingual skills to bridge cross-cultural gaps, enabling seamless teamwork and steady project progression.

EXPERIENCE

Seed United

Account Manager / Account Executive

Oct 2025 - Dec 2025
Guangzhou, Guangdong

- Led customer-centric team operations; owned project management, quality control & performance targets, and delivered multiple complex high-difficulty solutions.
- Spearheaded data skill training programs, optimized full-process SOPs and project methodologies, driving marked gains in team productivity and efficiency.
- Managed end-to-end client needs (communication, breakdown, execution), supported smooth delivery and rapid response to ad-hoc demands for steady progression.
- Handled key tasks (quotations, GR docs, closure reports, weekly updates, database maintenance) to ensure seamless operations and data accuracy.
- Screened & evaluated KOL resources; reviewed, drafted and optimized copy to align with brand tone and user preferences, boosting content reach and conversion.

XAG

Product Engineer

Jun 2025 - Sep 2025
Guangzhou, Guangdong

- Conducted in-depth overseas research and stakeholder interviews to identify core demands, delivering precise data support for product development.
- Oversaw new product beta testing, function verification & localization adaptation; enforced strict iteration quality control to achieve bug-free delivery.
- Resolved cross-border communication needs via multi-channels to empower local teams.
- Built product knowledge base and standardized processes to boost collaboration efficiency; addressed dealer demands & complex tickets, coordinating R&D to close issues.

ByteDance

Cloud Computing Technical Support Engineer

Feb 2024 - Aug 2024
Chongqing

- Led frontline technical support for BytePlus & Volcano Engine; resolved cloud product consultations, troubleshooting & configuration optimization via multi-channels.
- Exceeded core service metrics: hit 80% first-contact resolution rate, 75% 24-hour ticket closure rate & 100% client satisfaction rate, outperforming industry benchmarks significantly.
- Accumulated rich troubleshooting experience handling massive client issues. Proficient in full-suite cloud products (cloud infrastructure, cloud communications, edge cloud, AI), providing end-to-end professional technical support & consulting.

Chinasoft International (Ant Group)

Senior Technical Support Engineer

Dec 2022 - Apr 2023
Chengdu, Sichuan

- Led the group's overseas customer support initiative; focused on financial cloud & financial-grade biometric service troubleshooting/consulting, resolving multiple complex technical issues.
- Adhered strictly to SLAs, coordinated cross-functional teams to expedite ticket handling and ensure timeliness; distilled customer needs to drive product/service optimization and lift satisfaction.
- Provided English-based professional technical support to global clients; maintained stable partnerships via proactive communication and effective problem-solving.
- Spearheaded knowledge base & SOP development, standardized issue-handling procedures, and boosted the team's overall problem-solving efficiency.

Southwest Oil And Gas Field Huayou Group Corporation (PertoChina)

Information Technology Engineer

Dec 2019 - Dec 2022
Chengdu, Sichuan

- Led private network construction for 150+ branches, managing IP planning, VPN networking & 250+ H3C/Huawei device configurations; cut MTTR to under 2 hours via proactive monitoring and rapid response.
- Deployed 3,000+ camera monitoring system, built high-efficiency streaming media center & centralized storage platform; maintained weak current systems including access control.
- Conducted server inspections, patch updates, device racking & admission management; boosted resource utilization by 40% via virtualized resource optimization.
- Resolved 300+ desktop and conference system issues; participated in key informatization projects like SCADA construction and operation.
- Spearheaded 200+ participant informatization training, reducing operational error rates and enhancing overall informatization application capabilities.

Internship: Chongxiang Techlogy

Product Manager

Jul 2017 - Sep 2017
Tianjin

- Led target user research; analyzed behavior data & market trends to deliver strategic support for product design, identifying and addressing core user pain points.
- Designed end-to-end product workflows (user journey mapping, functional module division) to align requirements and technical implementation efficiently.
- Proficient in Axure RP for high-fidelity interactive prototyping, boosting user experience and product usability significantly.
- Owned full lifecycle of Job Search Platform project, from concept ideation and requirement definition to prototyping and development launch.

EDUCATION

Nankai University Binhai College

Computer Science Bachelor

Sep 2015 - Jul 2019
Tianjin, China

CERTIFICATIONS, INTERESTS & OTHERS

- **Certifications:** PMP(3A), Qualification Certificate of Computer and Software Professional Software Design Engineer, Qualification Certificate of Computer and Software Professional Programmer

专业技能

- 依托计算机科班深厚功底，深耕技术领域多年，兼具硬核技术攻坚能力与高效人际沟通、跨场景协作的综合软实力
- 积累互联网、游戏、石油燃气、金融、云计算、软件、制造业、智能硬件、广告营销多行业实战经验，经大量跨部门、跨角色协作锤炼，可快速响应各类复杂技术挑战，跨领域适配能力突出
- 3年全英文工作环境中主导多个国际化项目，凭扎实技术实力与出色双语沟通能力，有效打破跨文化团队协作壁垒，为项目高效推进注入核心动力
- 持有PMP 3A认证及软考中级证书，擅长对关键项目实施全周期精细化管理，保障高标准、高效率交付

工作经历

Seed United

2025年10月 - 2025年12月

客户经理/客户执行

广东省广州市

- 主导客户满意度为核心的团队业务运营，全面负责项目全周期管理、交付质量控制及业绩目标达成，成功带领团队攻坚并交付多个高难度专业项目方案
- 牵头设计并实施数据技能培训计划，优化全流程SOP与项目方法论，实现团队人效与工作效率显著提升
- 深度对接客户需求，完成从需求沟通、拆解、传达至落地执行的全链路管理，有效推进项目成功落地，并快速响应客户临时性需求，确保项目平稳推进
- 高效处理报价单、GR材料、项目结案汇报、周报编制及数据库维护等关键工作，确保项目运营的顺畅与数据准确性
- 负责KOL资源筛选评估，并参与KOL文案稿件的审核、撰写与优化，确保内容高度贴合品牌调性并适配平台用户偏好，有效提升内容传播力与转化效果

极飞科技

2025年06月 - 2025年09月

无人机产品工程师

广东省广州市

- 深度调研海外市场，访谈渠道与用户获取核心需求，为产品开发提供精准数据支撑
- 主导新品内测、功能验证及本地化适配，严控迭代质量，实现无Bug交付
- 制定并落地海外培训计划，通过多渠道高效解决跨境沟通需求，赋能当地团队
- 搭建产品知识库与标准化流程，提升协作效率；处理经销商需求与疑难工单，协调研发推动问题闭环

字节跳动

2024年02月 - 2024年08月

云产品技术支持工程师

重庆市

- 主导 BytePlus 及火山引擎全球客户一线技术支持工作，通过电话、邮件、在线聊天等多渠道，高效处理云产品咨询、故障排查及配置优化，确保客户业务连续性
- 达成并超越核心服务指标：实现首次问题解决率 80%，24小时内结单率 75%，以及客户服务满意度 100%，显著优于行业平均水平
- 在处理海量客户问题的过程中，积累了丰富的技术排障经验，锤炼了高效的沟通与问题分析能力，能够快速洞察客户真实需求，并输出精准、可落地的解决方案
- 精通云基础、云通讯、边缘云及 AI 等全系云产品业务，能够为客户提供端到端的专业技术支持与咨询服务

中软国际

2022年12月 - 2023年04月

软件技术支持工程师 蚂蚁技术交付部

四川省成都市

- 主导了集团海外客户支持计划，专注于金融云及金融级生物识别服务的故障排查与技术咨询，成功解决了多起复杂技术难题
- 严格遵守SLA要求，协调了跨部门团队高效推进工单处理，确保了服务时效性；同时，提炼客户需求并推动产品服务优化，使客户满意度提升
- 以英语为工作语言，为全球客户提供专业技术支持，通过积极沟通和问题解决，维护了稳固的客户合作关系
- 主导了知识库建设和SOP制定工作，标准化了问题处理流程，使团队整体问题解决效率提升

中国石油

2019年12月 - 2022年12月

企业信息技术工程师 川港公司

四川省成都市

- 主导了覆盖150+个分支机构的私有网络建设，负责IP规划、VPN组网及250+台H3C/Huawei设备配置；通过主动监控和快速响应，将平均故障修复时间（MTTR）缩短至2小时以内
- 成功部署了3000+路摄像头的监控系统，并搭建了高效的流媒体中心与集中存储平台；同时，负责维护了包括门禁在内的各类弱电系统
- 执行了机房服务器的定期巡检、安全补丁更新、新设备上架及准入管理；通过优化虚拟化资源配置，成功将资源利用率提升了40%
- 高效处理了300+起员工桌面及会议系统故障，并积极参与了SCADA等关键信息化项目的建设及运维工作
- 主导并实施覆盖200+人次的信息化培训项目，有效降低了传统业务部门的系统操作失误率，显著提升了全员的信息化应用能力

虫象科技

2017年07月 - 2017年09月

产品经理实习生

天津市

- 主导了目标用户需求调研，通过深入分析用户行为数据和市场趋势，为产品设计提供了关键性的战略支撑，成功识别并满足了用户核心痛点
- 设计了端到端的产品流程，从用户旅程梳理到功能模块划分，确保了需求定义与技术实现的高效衔接
- 熟练运用 Axure RP 进行高保真交互原型设计，显著优化了用户体验与易用性
- 独立负责了“找工作平台”项目，从概念构思、需求定义、原型设计到开发落地的全过程

教育经历

南开大学滨海学院

2015年09月 - 2019年07月

计算机科学与技术 本科

天津

证书/兴趣及其他

- 证书/执照：PMP(3A通过)、计算机技术与软件专业技术资格(软件设计师)、计算机技术与软件专业技术资格(程序员)
